EDUCATION

- 2017-2023** PhD, Department of Zoology, **University of British Columbia, Canada**
- “From marine snails to marine spatial planning: the science of human impacts and relationships with marine ecosystems” ([link](#))
 - Committee: Christopher Harley (advisor), Amanda Vincent, Michelle Tseng, Dolph Schluter
 - Awards and accomplishments: Peter Wall Institute of Advanced Studies – Climate Catalyst student Fellow (2022), Salish Sea Fellow (2022), Mitacs fellow with Ocean Wise (2019-2022), COMPASS Ocean Science Leadership Fellow (2021), UBC Public Scholar (2020-2022), Climate Teaching Connector (2021), National Geographic Explorer (2019), Ocean Leaders Fellow (2017-2019)
- 2015** BA&Sc (Bachelor of Arts and Science), **McGill University, Canada**
- Graduated with distinction (top 25% of the 2015 Faculty of Science graduating class)
 - Biology major, double minor in history and environmental studies
- 2014** Exchange semester, **Universidad del Salvador, Argentina**

WORK AND RESEARCH EXPERIENCE

Non-profit sector

- 2023-Present** **Science coordinator**, Coastal First Nations – Great Bear Initiative
- Northern Shelf Bioregion MPA Network
 - <https://mpanetwork.ca/>
- 2018-2022** **Regional coordinator**, SeaChange Marine Conservation Society
- Salish Sea Nearshore Habitat Recovery Project
 - www.seachangesociety.com
- 2018 – 2021** **Founder and Project Director**, MakeWay Charitable Society
- Howe Sound/Átl'ka7tsem Marine Reference Guide (Marine Stewardship Initiative)
 - www.howesoundguide.ca
- 2016-2019** **Project Manager and Research Assistant**, Ocean Wise
- Howe Sound Biodiversity
 - www.howesoundconservation.ca
 - www.habitatprotection.ca
- 2013** **Conservation Crew**, That Nature Trust of British Columbia

Tourism

2024 **Naturalist**, Bluewater Adventures

Academia

- 2016** **Field Research Assistant**, McGill University
- Advisor: Andrew Hendry, Eco-evolutionary dynamics
- 2015** **Independent Research Project**, McGill University
- Advisor: Hans Larsson, Developmental Evolution Lab
- 2015** **Lab Research Assistant**, McGill University
- Advisors: Andrew Hendry, Rowan Barrett

AWARDS, GRANTS, AND HONOURS

Academic – total amount \$221,860 CAD

- 2022-2023** Community-University Engagement Support - partnership with Squamish Nation \$25,000

2022-2023	Peter Wall Institute for Advanced Studies \$3,000
2021-2022	Mitacs Accelerate \$75,000
2020-2021	UBC Public Scholar \$12,500
2020-2021	COMPASS Leaders for Sea Change (non-monetary)
2019-2020	Mitacs Accelerate \$40,000
2020	Vanier Canada Graduate Scholarship – UBC nomination
2017,2018,2019	Ocean Leaders Fellowship \$12,000, \$12,000, \$11,000
2019	National Geographic Early Career Explorer \$10,000 USD
2019	Star Award – Ocean Wise (non-monetary)
2018, 2019	Hollyhock Scholarship \$200, \$560
2018	Pacific Northwest Shell Club \$1000
2017-2021	UBC Faculty of Science Award \$2000 each year
2017	Nature Vancouver Scholarship \$1000
2015	Graduation honour: distinction (top 25% of McGill's 2015 Faculty of Science graduating class)
2015	Dixie Park Science Undergraduate Research Award \$5600
2013	Mobility award \$1000
2011	J W McConnell Scholarship \$3000

Non-profit fundraising – total \$691,000 CAD

2021	Squamish Nation cultural grant, \$6,000
2020	Canada Summer Jobs, Federal Government \$10,000
2020	BC Parks: Regional Park Enhancement Funding \$5,000
2019	Real Estate Foundation \$120,000
2019	Royal Bank of Canada \$5000
2019	North Family Foundation \$115,000
2018	Sitka Foundation \$115,000
2018-2021	Local government donations from Howe Sound \$160,000
2018	Vancouver Foundation – Level Youth develop grant \$10,000
2018	Moore Foundation through Tides Canada's Marine Planning Fund \$30,000
2017	Moore Foundation through Tides Canada's Marine Planning Fund \$80,000
2017	Ocean and Science Freshwater Contribution Program – DFO \$35,000

LEADERSHIP AND SERVICE

- 2022-Present** **Chair**, Steering Committee, Átl'ka7tsem /Howe Sound Marine Stewardship Initiative, MakeWay Charitable Society
- 2023-Present** **Member**, Steering Committee, Northeast Pacific Biodiversity Action Network, UN Decade of Ocean Science endorsed project
- 2023-2024** **Member**, Board, My Sea to Sky
- 2022-Present** **Member**, Roundtable Steering Committee, Átl'ka7tsem /Howe Sound Biosphere Region Initiative Society
- 2020-Present** **Associate**, Pacific Wildlife Foundation
- 2020-Present** **Advisor**, Institute for Multidisciplinary Ecological Research in the Salish Sea
- 2019-20 & 2021-22** **Program Committee**, Salish Sea Ecosystem Conference
- Sub-committees: Diversity, Equity & Inclusion, Arts & Public Engagement, Poster, Coast Salish Gathering, Theme Integration
- 2020-2022** **Member**, Salish Sea Voluntary No-Anchor Zones working group, transboundary
- 2021-2022** **Member**, Institute of Oceans and Fisheries Student Society, UBC
- 2020-2021** **Member**, informal Diversity Equity and Inclusion working group, Ocean Wise
- 2018-2021** **Founder and coordinator**, Conservation Discussion Group, UBC
- www.zoology.ubc.ca/conservation/
- 2017-2018** **Project Lead**, Underwater Council of British Columbia
- 2014** **Assistant Naturalist**, Tompkins Conservation
- Parque Iberá, Argentina
- 2014-2015** **Research Assistant**, McGill University
- McGill Research Group Investigating Canadian Mining in Latin America (MICLA)
- 2011-2018** **Stage manager, lighting & costume designer**, McGill Theatre, UBC

TEACHING AND MENTORING

- 2023** Guest lecture, Place-based and nature-based education, from the perspective of a marine scientist. Nature-based certificate, School District #46 and SFU.
- 2022** Guest lecture, Decolonizing mapping to understand climate change resilience in the Salish Sea. **University of British Columbia**, Health impacts of climate change (NURS 290)

- Guest lecture, Climate adaptation and resilience: Bottom-up approaches to adapting to climate change in British Columbia. **University of British Columbia**, Biogeography and Global Change (GEOS 307).
- 2021 Guest lecture, Climate change impacts to coastal ecosystems and communities in the Salish Sea, **University of British Columbia**, Health impacts of climate change (NURS 290)
- 2020 Guest lecture, Community-based research for conservation and climate action, **Quest University**, Biodiversity in British Columbia
- 2020 Guest lecture, The human dimension of restoration ecology, a case study of community-led conservation in British Columbia, **British Columbia Institute of Technology (BCIT)**, Planning for Ecological Restoration (RENR 7007)
- 2020 Guest lecture, The nearshore: a social-ecological perspective. **Kwantlen Polytechnic University – Wilson School of Design**, Systems Design/Design for Complexity (DEPD2410)
- 2018 & 2019 **Teaching Assistant**, University of British Columbia
- Experimental Biology of Invertebrates, BIOL 326, instructor Dr. Christopher Harley

Undergraduate students supervised

- 2020-2021 Lara Calvo, Undergraduate Research Assistant
- 2020 Madeleine DesBrisay, Volunteer
- 2019 Jessica Kennedy & Theresa Nguyen, Field Assistants
- 2018 Carolina Sánchez, Undergraduate Research Assistant
- 2018 12 undergraduate students who helped with a laboratory mesocosm experiment

PRESENTATIONS

Conferences:

- Beaty F.** Cultivate your climate activism with roots in community and ocean science. Climate Action in Motion: ISABC Youth Sustainability Conference (February 2024).
- Mahoney T, **Beaty F**, Esenkulova S, Spicer C. Simon Fraser University Community Engaged Research initiative workshop, *Pacific Ecology and Evolution Conference* (April 2023).
- Beaty F** and Antone M. Upholding all knowledge systems to identify marine areas of high ecological, socio-economic, and cultural value in a glacial fjord in British Columbia, *IMPAC5* (February 2023).
- Beaty F**, Antone M, and Williams J. Upholding diverse knowledge systems to identify marine areas of high ecological, socio-economic, and cultural value in Howe Sound/Átl'ka7tsem, British Columbia, *Salish Sea Ecosystem Conference* (April 2022).
- Beaty F**, Calvo L, Lyons D, and Harley CDG. A meta-analysis of the lethal and sublethal effects of ocean warming, acidification and their combination on marine ectotherms, *Western Society of Naturalists* (November 2021). <https://www.youtube.com/watch?v=-UOLBCUpEmk>
- Beaty F**, Calvo L, and Harley CDG. A meta-analysis of the interactive effects of ocean warming and acidification on marine ectotherm performance, Poster at *Western Society of Naturalists* (Nov 2020).
- Beaty F.** The Howe Sound/Átl'ka7tsem Marine Reference Guide: implementing bottom-up and community led marine spatial planning, *Salish Sea Ecosystem Conference* (April 2020). [Link](#)
- John B and **Beaty F.** Connecting nodes throughout the Salish Sea: a bottom-up approach to strengthening informed decision-making, policy making, and marine spatial planning, Poster at *Salish Sea Ecosystem Conference* (April 2020). [Link](#)
- Stehfest K, Wareham B, **Beaty F**, van Riet W, Grames P. Spatial conservation planning in Átl'ka7tsem /Howe Sound: Bringing together science and design, *Salish Sea Ecosystem Conference* (April 2020). [Link](#)
- Beaty F**, Gehman AL, Brownlee G, Harley CDG. A search for local adaptation reveals high plasticity and maladaptation in an intertidal whelk, *Western Society of Naturalists* (November 2019)
- Beaty F**, Brownlee G, Gehman AL, Harley CDG. Local adaptation impacts biological responses to climate-linked stressors, *Western Society of Naturalists* (November 2018)
- Beaty F** and Wareham B. Howe Sound/Átl'ka7tsem Marine Conservation Assessment, *Salish Sea Ecosystem Conference* (April 2018)

Beaty F, Local adaptation to multiple climate-linked stressors in marine invertebrates, Poster at *Eco-Evo retreat* (November 2017)

Workshops, keynotes, discussion groups, panels, symposia

- Beaty F**, Celebrate the Coast – art, science, music, and food to celebrate the sea. (March 2023)
- Beaty F**, Women in Science panel. *BC Institute of Technology*. (March 2023)
- Beaty F**, Not just range limits: warming rate and thermal sensitivity shape climate change vulnerability in a species range centre. *Pacific Northwest Shell Club*. (Nov 2023).
- Beaty F**, Not just range limits: warming rate and thermal sensitivity shape climate change vulnerability in a species range centre. *UBC Zoology Graduate Symposium*. (April 2023).
- Beaty F**, From marine snails to marine spatial planning: the science of human impacts and relationships with marine ecosystems. *PhD Exit seminar, Zoology University of British Columbia*. (Feb 2023).
- Beaty F**, Antone M, Williams J. Squamish Nation ocean-based values in Átl'ka7tsem/Howe Sound and community stewardship. (Jan 2023).
- Beaty F**, How do we prioritize what to protect from climate change when we care about everything, everywhere, all at once? *SeaChange Conservation Society AGM*. (Nov 2022).
- Beaty F**, Transforming how we map to address the effects of climate change on life in and around the Salish Sea. *Climate stories from UBC*. (Oct 2022). [Link](#)
- Beaty F**, Giang A, Frappé-Sénéclauze TP, Climate Policy and Planning, and the Role of Science and Scientists. *UBC Earth Atmospheric and Ocean Sciences Colloquium*. (Feb 2022).
- Beaty F**, Decolonizing mapping to inform climate change adaptation on B.C.'s coast. *UBC Student Climate Slamposium* (Oct 2021).
- Beaty F**, Emry S, Brownlee G. The effects and potential implications of marine heatwaves on biodiversity and conservation. *Conservation Discussion Group, UBC* (Oct 2021).
- Beaty F**, Upholding multiple knowledge systems to prepare for climate change. *UBC Public Scholars*. (Sept 2021).
- Geography Students Association – Career Panel – University of British Columbia (March 2021).
- Beaty F**, Cormick H, Svich C, and Van Wyk W. Eco-anxiety digital festival talkback. *Imago Theatre*. (February 2021). [Link](#)
- Beaty F**, Howe Sound/ Átl'ka7tsem Marine Reference Guide. *Ocean Watch Howe Sound Launch, Ocean Wise Marine Conservation Association*. (August 2020).
- Beaty F**, Mapping ocean mysteries in support of conservation. *Ask an Expert lecture series, Ocean Wise Marine Conservation Association*. (May 2020). [Link](#)
- Beaty F**, Resilience in the Anthropocene: the social and ecological dimensions of adaptation to climate change in the Salish Sea. *Wonders of the Salish Sea*. (May 2020 – postponed due to COVID-19)
- Beaty F**, Howe Sound Research and Conservation. *Pacific and Atlantic Science Enterprise evaluation workshop, DFO*. (March 2020)
- Beaty F**, Wareham B, Stehfest K, Van Riet W, and Schultz J. Átl'ka7tsem /Howe Sound – a story of community building, ecological recovery, and conservation opportunities. *Ocean Wise and David Suzuki Foundation public engagement event, Vancouver*. (March 2020)
- Beaty F**, Marine Spatial Planning and GIS on the South Coast of British Columbia – case studies and partnership building. *MSP and GIS workshop*. (February 2020)
- Beaty F**, Davis K, Gowton C. The science to policy interface – taking a dose of our own medicine. *Conservation Discussion Group*. (January 2020)
- Beaty F**, Civic engagement in science and data: a case study of marine conservation in British Columbia. *Ocean Bridge National Call*. (December 2019). [Link](#)
- Beaty F**, Indigenous world views in marine spatial planning and marine conservation. *Indigenous youth engagement in Átl'ka7tsem workshop*. (August 2019)
- Beaty F**, Davis K, Gowton C, Bittick SJ. Eco-anthro dimensions of conservation. *Conservation Discussion Group UBC* (January 2019)
- Beaty F**, Adamczyk E. How well does research achieve its desired outcomes: a look into the scientific processes, methods, and responsibilities that underscore conservation research, *Conservation Discussion Group UBC* (October 2018)
- Beaty F**, Davis K. A national plastics policy for Canada, *Liu Institute for Global Affairs, School of Public Policy and Global Affairs* (October 2018)

- Beaty F**, Schultz J. Linking regional marine conservation initiatives with the Sustainable Development Goals (SDGs), *Howe Sound SDG workshop* (September 2018)
- Beaty F**, Lewis R. Átl'ka7tsem /Howe Sound marine collaboration, *Salish Sea Ecosystem Statement of Cooperation working group meeting* (September 2018)
- Beaty F**. What is marine conservation? *Rockfish habitat sculpture & marine conservation workshop for artists at the Vancouver Aquarium/Ocean Wise* (May 2018)
- Beaty F**, Davis K. UBC's Plastics - A short path to the ocean. Poster in *Zero Waste Food Ware Strategy Consultation Event*, UBC (2018)

Government outreach

- Beaty F**. The Howe Sound/Átl'ka7tsem Marine Reference Guide: implementing bottom-up and community-led marine spatial planning. *First Nations Fisheries Council – OPP Marine Knowledge Sharing Forum*. (May 2021).
- Beaty F**. The social and ecological value of nearshore ecosystems. *Islands Trust – Keats Island Nearshore Working Group*. (June 2020).
- Beaty F**, Castazano M, and Wright N. Nearshore restoration in Mannion Bay. *Environment and Climate Action Advisory Committee (Bowen Island Municipality)*. (June 2020).
- Beaty F** and Sanford D. Seagrass protection, restoration, and distribution: survey results and local government actions. *Town of Gibsons council presentation* (January 2020)
- Beaty F** and Sanford D. Marine shorelines as critical habitats. *Town of Gibsons council presentation* (July 2019).
- Beaty F**. Howe Sound/ Átl'ka7tsem marine planning and conservation initiatives, *Howe Sound Community Forum* (May 2018, April 2019, April 2021)
- Beaty F**. Howe Sound/ Átl'ka7tsem marine initiatives, Coastal Marine Working Group to advise the District of West Vancouver (March 2019).
- Beaty F**. Howe Sound/ Átl'ka7tsem marine initiatives, Islands Trust quarterly council meeting (September 2018), Department of Fisheries and Oceans (June 2018), presentations to Mayor and Councils of Village of Lions Bay, the Islands Trust, the Town of Gibsons, and the District of West Vancouver, Bowen Island Municipality, Squamish-Lillooet Regional District, District of Squamish (Dec 2017-February 2018, Dec 2018 – April 2019, Aug-Oct 2021)

Community outreach and education

- Beaty F**, Coastlines, community, and climate activism: lessons from the ocean, *Sunshine Coast Conservation Association – NEMO talk series*. (June 2024).
- Beaty F**, Deepening relationships between people and the sea to inspire transformation, *Stand up Science, Quest University*. (Feb 2023).
- Beaty F**, Humpbacks in the Salish Sea, *Year of the Salish Sea and Vancouver Public Library*. (Oct 2022).
- Beaty F** and Wright J. Marine Memories, Ch'kw'elhp/Gibsons Harbour past, present, and future. *SeaChange Marine Conservation Society and Nicholas Sonntag Marine Education Centre*. (Feb 2022).
- Beaty F** and Antone M. Skwxwú7mesh culture, maps, and the Marine Reference Guide. *Learning Expeditions, high school class presentation*. (June 2021).
- Beaty, F**. A collaborative and place-based approach to healing in the face of the rising tide of global collapse. *Wonders of the Salish Sea – Keynote speaker*. (April 2021). [Recording](#).
- Beaty, F**. From seagrass to stewardship: a the story of a community united around a love for the sea among us. *Bowen Island Nature Club – Keynote speaker*. (Jan 2021).
